

Sherburne National Wildlife Refuge **PHOTOGRAPHY CLUB**

Are you interested in nature photography? Join us!

**7 PM ON THE 2ND WEDNESDAY
OF EACH MONTH
OAK SAVANNA LEARNING CENTER**

Members share a common interest in nature and photography at the Sherburne NWR and nearby natural areas. This is a volunteer-led, member-driven club. We meet each month to share our latest photos and exchange information. We share techniques and practice together during our group shoots / photo walks. Check our Facebook page for current information! We're excited to work with the Sherburne NWR to provide this opportunity to share our passion of capturing the beauty of nature all around us.

The U.S. Fish and Wildlife Service is committed to providing access to these events for all participants. Please direct all requests for special accommodations to Refuge Headquarters: 763-389-3323, sherburne@fws.gov, or TTY 1-800-877-8339 at least two weeks prior to the event.
